Mask Mandate Message Emailed to Parents on April 28, 2022

Good morning

As you will be aware the mask mandate will be removed as of 12:01am Friday morning. While the wearing of masks will no longer be enforced, masks are still very much encouraged for those who would like to continue wearing them. This applies to both staff and students. We are asking everyone to respect the individual's right to choose what makes them most comfortable, in light of the medical needs of themselves and their extended families.

I have not been informed what the School Bus Service's requirements are, and whether those buses fall into the category of public transport, so i would suggest that students who travel on the bus should carry a mask with them tomorrow morning just in case they are needed.

Please continue to report any positive cases to both the [school portal](#) and the [WA Health website](#)

I have no doubt that we will see a spike in cases over the next few weeks, so if your child displays any symptoms please keep them at home.

Thank you for continuing to work with us during the time.

Andrea Woodgate
Principal
