Dear Parents, Guardians and Students,

2019 Scitech Challenge Day ~ Years 5 & 6 students

As your child is a member of our St Joseph's School da Vinci Club, I am pleased to advise that the next co-curricular event linked to our da Vinci club is the Scitech Challenge Day, held for Catholic schools that have a Gifted and Talented program, and occurring at Scitech on Monday October 28 (Week Three).

The students will have the opportunity to further develop and apply their 21st Century Skills to a relevant real world problem. Students will work in teams towards understanding and innovating to solve the problem. Engagement with the problem will foster the development of student's creativity, communication, critical thinking and collaboration skills as well as developing students' sense of character and communication. At the conclusion of the day, teams will be encouraged to communicate their process towards their solution with their peers and invited to present their final solutions to some guest judges on the day.

Key Details:

- Date: **Monday October 28, 2019**
Depart: **7.00am sharp** from the Primary campus
Return: **4.30pm** to the Primary Campus (Please note: no pickups or drop off along the route)
Location: Scitech, City West, West Perth
Lunch: All food and some water will be supplied for students throughout the day, however, it is suggested that students bring along their own water bottle
Uniform: Students are to wear **FULL SUMMER SCHOOL UNIFORM**
Equipment: All students need to bring suitable writing equipment with them such as pens and/or pencils. (The students are encouraged to leave their school bags at home as there will be limited storage facilities on the day)

Please ensure the attached permission/medical form is returned by **Friday October 18, 2018** to Mr Hewitt.

Yours sincerely

Ben Hewitt
Year 5/6 Teacher
