Dear Parents, Guardians and Students

Year 10 Course A Science Excursion to the Gravity Discovery Centre

As part of the Course A Year 10 Science program, the students will be participating in an excursion to the Gravity Discovery Centre (GDC) at Gingin. The aim of this excursion will be to complement the Western Australian Curriculum content of 'Earth and Space Sciences' that will be studied in class. The themes on the day will link to topics about the Earth, Moon and the Sun, gravitational forces, life cycle of stars, current astronomy research and cosmological history. The information gathered from this excursion will be vital for understanding all aspects of our Science course and the fourth term major assessment is linked to collecting and analysing data from this event.

Key Details

Date: Tuesday, October 29, 2019

Venue: GDC in Gingin

Depart: Bus departs **9.00 am** (Homeroom precedes this departure)

Return: Bus will return at **5.00 pm** (No pickups or drop off along the route)

Cost: Nil

Meals: Students need to bring their own recess, lunch and drinks. (Students will **not** be permitted to purchase any items from the shop).

Uniform: Students are to wear their full **SUMMER SCHOOL UNIFORM**.

Equipment: All students need to bring suitable writing equipment with them such as pens and paper and their iPad (which needs to be fully charged on the day).

Please complete the attached permission and medical details and return this to school no later than Wednesday October 23.

Yours sincerely

Mark Gargano
Curriculum Coordinator
Teaching & Learning
Years 7-12

Caroline Parnham
Head of Secondary
