Ken.james@cewa.edu.au

- Ms Syona Fernandez – The Arts

Syona.Fernandez@cewa.edu.au

- Ms Rebecca Curtis – AUSLAN

Rebecca.curtis1@cewa.edu.au

Communication

If at any time you would like to discuss your child, we are around in the mornings and afternoons for a brief chat. However, if you would like to have an in-depth discussion please arrange a time.

Any notes to go home will be given to the student and it is expected they will be returned to school ASAP.

This year, all communication will occur via email.

SeeSaw

The program 'Seesaw' will be used consistently throughout the year to showcase each student's work as a digital portfolio. This will be continually updated with work pieces from each child.

You should receive your qr code to access your child's work shortly.

Homework

Homework will comprise of students reading for at least 15 minutes per night, Mental Maths in their homework book and occasionally, Class Assignments.

iPads

In Year 6, the BYOD (Bring Your Own Device) program is implemented and therefore, iPads will be used when it extends the learning experience. The students will use apps including TEAMS, Pages, Keynote, Book Creator, Popplet, Pic Collage, iMovie and iMotion just to name a few, to show their learning in a range of different forms.

As it is compulsory to sign the ICT Policy and iPad Agreement to use iPads in the classroom, any breach of this policy will result in the confiscation of the iPad and require parents to collect the iPad from the Administration Office.

School Website

All information in regards to the school, our policies and any information you require is accessible through the school website.

Absentees – when your child is absent, it is a requirement for parents/caregivers to fill out an absentee form. This form can be accessed through the school app or on the home page of the school website.

The screenshot shows the top section of the St Joseph's School website. At the top center is the school's name, "St Joseph's School", in a blue serif font, with the tagline "Pre-Kindy to Year 12 quality Catholic education in the Avon Valley" below it. To the left of the name are three icons: an '@' symbol for "Absentee notice", a smartphone for "Contact Us", and a document for "Enquiry form". To the right are three more icons: a magnifying glass for "Search", a Facebook 'f' logo for "Facebook", and a person icon for "Portal". Below this is a dark blue navigation bar with white text for "HOME", "OUR SCHOOL", "OUR COMMUNITY", "ENROLMENTS", "COMMUNICATION", and "PARENT INFORMATION". A yellow and blue crest with the word "FIDELITY" and a dollar sign is positioned between "OUR COMMUNITY" and "ENROLMENTS".

School App

Reminders, absentees and the school calendar can be accessed through the school app which can be found by searching 'szapp' in the App Store. Information on downloading the app is available on the school website and all updates will be accessible on your device.

MaJEC

The MaJEC Program is our Christian Service Program and the most important part of developing each student. The children will need to write any hours they complete either at home or school into their MaJEC booklet and have a parent or teacher sign it. The required amount of time to complete in Year 6 is five hours. Please send the books in regularly so we can update their hours online.

Medication

It is a requirement of parents that the school is continually updated of a child's medical records and medication. If your child requires medication at school please inform the Admin Team in the front office.

Visitors

When visiting school to help on campus between the hours of 8:30am and 3:00pm, all visitors must sign in through the SEQTA Kiosk in the Administration building.

Behaviour Management

In class this year, we will mostly be using the House Points System to reward expected and positive behaviour. There are 4 classroom rules which must be followed at all times:

- Respect the teacher
- Respect everyone else
- Respect yourself
- Respect the classroom

At the time that one of these rules is broken by your child, you will receive an email explaining what happened to ensure the behaviour isn't continued in the future.

The process that will be occurring for continual inappropriate behaviour is as follows:

1. Verbal Warning
2. Timeout in classroom
3. Moved to a buddy class
4. Sent to Mrs Michelle Christian, Head of Primary.
