Dear Parents and Guardians

Year 7 & 8 Education Perfect Resources Subscription

In 2021 to support the teaching and learning of the Western Australian Curriculum in English in Years 7 and 8, our school will be continuing to utilise Education Perfect.

The resource will be used for the entire 2021 academic year. Education Perfect is an online curriculum based program, where students have access to notes, worksheets, slideshows, videos, tutorials and many interactives, which will allow for an increased engagement with the English Curriculum, both in and out of the classroom. Additionally, it will also enable students to participate in various academic challenges and competitions throughout the year.

As listed in the 2021 St Joseph's School booklist, students in these year groups are required to purchase Education Perfect directly via this link; <https://worldseries.educationperfect.com/payment-1907-sjsn-19.html>

Please use this link via a desktop or a laptop (Not iPad, tablet or phone) to connect straight to the Education Perfect portal set up for our school, where you will need to log in with your child's student **CEWA credentials** (Students new to our school will be issued their CEWA credentials in the first week of 2021).

Once here you will see the unpaid subscription section, for **Years 7 or 8 English**. Then proceed to the 'PayPal' tab and follow the prompts for method of payment to complete the transaction (Please note you do not need a PayPal account, there are other accepted forms of payment available).

This purchase can occur from January 20 and will need to be completed prior to February 19, 2021. Please note that the cost for English in 2021 is \$30. If you are having technical issues with the payment process, staff will be available during the first week of the school year to assist.

If you do have any queries, please feel free to contact me during normal working hours.

Yours sincerely
