

Digital Learning

Individual iPads for Years 4 - 6 Students (Optional)

St Joseph's School, Northam is a school designed to prepare students for learning in the 21st Century.

The use of 1-1 iPads will greatly enhance student learning as they begin their journey into secondary schooling.

Teachers have also changed their lessons to accommodate the ever-changing nature of information.

iPads for Years 4 - 6 are optional and therefore not compulsory. Students without an iPad will be able to access one from the class set during class time.

Why iPads?

- Potential to transform learning
- Anywhere, anytime learning
- Personal device, personalising learning
- Tool for creativity
- Capacity for delivery of content: digital texts, e-Pubs, Web 2.0
- Educational Apps
- Touch-screen technology
- Light, portable, cost effective

Prior to bringing an individual iPad to school, students and parents must read, sign and return the ICT Policy: Student Acceptable Use Policy.

Device guidelines and purchasing options can be found in the Parent Information section of our website:
