

2021 Inter-House Athletics Carnival

This year's Inter-house Athletics Carnival was rescheduled to Wednesday 18 August due to the incredibly soggy sporting grounds. Thankfully, the fine weather over the long weekend gave the oval time to dry out enough to allow all our track and field events to be held. Each year, we say a big thank you all the parents, students and volunteers who assist at the Carnival as an event of this size could not run without this support. So, thank you, everyone who contributed to the running and planning of the day!

The results for our individual 2021 Champion students are as follows:
